Hands-On Harp and World of the Harp

The following rates are for Hands-On Harp program, where 10 to 12 students share a harp, and learn how to do several basic techniques and learn to play a simple tune, such as "Mary Had a Little Lamb."

The same rates apply for World of the Harp workshops, which can include more students than Hands-on-Harp.

Sessions are 30 to 40 minutes long, with up to 6 periods in a school or library day. The second column prices are for adding a World of the Harp mini-concert session, which is a 40 minute session.

It is possible to schedule both kinds of workshop on the same day.

Workshop Session(s)		Either Workshop + Mini-Concert
1 workshop	\$275	\$325
2 workshops	\$320	\$370
3 workshops	\$365	\$415
4 workshops	\$410	\$460
5 workshops	\$455	\$505

It is also possible to have a full 60-minute World of the Harp concert for \$350, or two full concerts on the same day for \$450 (same program, two different sessions).

Rates include transportation from and back to Dave's base in Cheyenne, Wyoming.

Reservations are taken at dave@Myharpworld.com. Email or call (307)-214-2359 if you have questions. Reservations need a \$50 deposit, accompanied by a signed Memorandum of Agreement. The deposit is refundable if the school/library cancels within 24 hours, or if Dave cannot appear due to unforeseen circumstances such as sickness, weather, or transportation issues.
